Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Notice to File Missing Requirements of Application dated September 5, 2006, Applicants submit an English application translated from the original German language application, a copy of the Notice. The fee for submitting the translation after 30 months from the priority date was included with the application filing fee. Entry of the English language application is respectfully requested.

The signed Declaration will be submitted in the near future before the due date.

A Supplemental Application Data Sheet is attached which corrects the inventor information submitted in the original Application Data Sheet to conform the U.S. national stage application with the inventors named in the International PCT application.

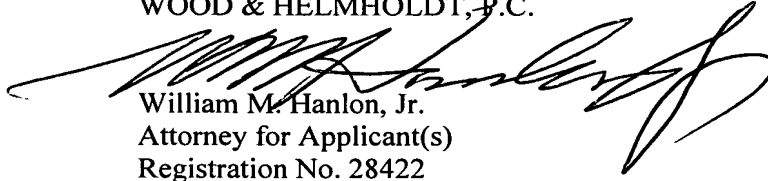

Thul, Hermann was inadvertently added as an inventor when, in actuality, he is the inventors' European patent representative.

The new Declaration to be submitted in the future will reflect this
Inventor correction.

Respectfully submitted,

YOUNG, BASILE, HANLON, MacFARLANE,
